Wolverines Easily Win Contest With South Tahoe Rival

Team To Travel This Week As Second Victory Is Scored

The Tahoe-Truckee Wolverines rolled over their crosslake rivals, South Tahoe, last Friday afternoon in an effortless 25 to 0 non-conference football clash. It was the second win in as many starts for the Wolverines, following up their 7 to 0 victory over the Douglas Tigers.

The Wolverines opened up the game by taking the first kick-off and marching 60 yards, mostly on the ground, for the first of four touchdowns. Quarterback Roger Holbrook culminated the drive as he slipped through center on a sneak from the 17-yard and outraced the Viking secondary to paydirt. Aaron Thomas' placement from the fingers of Holbrook was wide and Tahoe-Truckee led, 6 to 0.

Early in the second quarter, the Wolverines took over the ball an the Vikings' 15-yard stripe as a fourth down play failed to gain, and three plays later Bob Sanford broke over left guard for the second score after Mick Hogan had moved the ball to the five. Thomas' kick split the uprights and the Wolverines were ahead, 13 to 0, as the first half ended.

Midway into the third period of play, with the Wolverine second team in the ball game, the locals started a third drive for a score from their own 46. With Floyd Cooper, Bob Trask and Dean Holbrook carrying the ball behind excellent blocking, the home club moved to the 5-yard line where Bob Sanford once again carried over for six points. The conversion attempt was blocked and the Vikings trailed 19 to 0.

Tahoe-Truckee's final counter came early in the fourth quarter as the Wolverines started on their own 44, the score coming as Floyd Cooper pitched a perfect strike to End Bill Barr in the end zone, the play being good for 25 yards and running the count to 25 to 0. The attempted conversion kick was blocked, ending the scoring for the day.

The Vikings' only serious threat came late in the final period of play as they were able to move to the 2-yard line, only to be held and thrown back by a determined Wolverine team composed of third and fourth stringers.

Out of Town

Next Saturday at 2 p.m. the Wolverines take on their tough conference foes, the Stewart Braves, on the Indian school's home field. The locals will be out to pick up a conference win as well as to avenge a 19 to 6 setback suffered last season after the Braves trailed in the early periods of play. The Braves, so far, have defeated Manogue 6-0, and lost to Lovelock 19 to 6.

DRIVER SENTENCED TO PLACER JAIL

KINGS BEACH — Arnold W. Blomke of Kings Beach who was arrested last week by State Patrolman T. F. Sheehan on a drunk driving charge, was sentenced to 90 days in the Placer County jail when he appeared before Judge Harry Charrison.

He also pleaded guilty to driving with a suspended license and was sentenced to an additional 180 days after the court learned he had three previous convictions. This means he will serve approximately nine months in jail.

Sunshine Girls To Name Officers On October 3

An election of officers of the Donner Council, No. 13, Pythian Sunshine Girls, will be held at their October 3 meeting.

Refreshments will be served by Sheri Curran and Shirley Patton. Nona Rae Coffey presided at the September 21 meeting.

Mrs. Dorothy Morhain Honored For Service

Mrs. Dorothy Morhain was presented with a 20-year pin denoting her service with the Pacific Telephone Company at a hotel dinner meeting given recently at Reno.

Mrs. Morhain is the chief evening operator in the local office.

CLIFF ELLIS LEASES STATION NEAR WYE

Cliff Ellis, at present operating a service station in downtown Truckee, has announced that he is leasing the Associated Flying A Service Station located near the new Smart's restaurant, located at the Tahoe Y, taking over active management on October 6.

Jack Ellis will operate the Shell station, combining with his present business.

Burglary Foiled By Woman At Norden During Weekend

NORDEN—An attempted robbery in the Norden postoffice and general store was foiled when the proprietor, Mrs. Lena Frederick, slipped out a rear door to summon help.

She told Constable N. F. Dolley two men entered the store at 6 p.m. Saturday. One was armed with what officers believe was a .38 caliber pistol.

She said they forced her into the living quarters at the rear of the store, found her father, John Utermark, there and began tying his wrists with a tablecloth. While their attention was diverted she ran outside and the gunman fired wildly at her. When the intruders followed her Utermark ran out the front door shouting for help.

In the confusion the would-be robbers escaped.

Two Fires Stopped As Crew Kept Busy

Two potential dangerously forest fires, apparently resulting from the influx of deer hunters into the area during the weekend, were extinguished station of the U. S. Forest Service.

The first was on the Little Truckee east of the highway and was caused by a campfire being started in the pine needles and then abandoned.

The second was near Squaw Valley and this one was blamed on a smoker who tossed a burning cigarette into the drying grass.

Forest Service officials point out that while the recent rains did much to eliminate some dangers, they were not sufficient to prevent a disasterous fire and hunters and others frequenting the forests are urged to exercise extreme caution.

Neither of thetwo reported fires did much damage, but with continued warm dry weather, the danger mounts.

LOCAL DELEGATES TO ATTEND STATE MEET

Everett O'Rourke, superintendent of schools here, and Mr. and Mrs. Fred Pedley have been included in the invitation of Gov. Goodwin J. Knight to attend his conference on education to be held in the Sacramento Auditorium, September 30 and October 1.

More than 3000 delegates are expected to attend the important meet.

In meetings of six workshop divisions, the delegates will discuss and make recommendations on what schools should accomplish; how school systems can be more efficiently organized; school building needs; problems of teacher supply; financing the schools; and gaining public interest in education.

Friends Here Learn Of Death Of Murray Foster

Local friends have received belated details of the death of Murray Foster on August 31 at Redwood City from his mother, Mrs. Kitty Q. Foster of Oakland.

The deceased was well known in Truckee where the family had spent their summers since building a home here in 1912 and was closely associated with the area since that time.

He is also survived by his wife, Anne of Woodside, a son, Murray Foster, Jr., of Pennsylvania, daughter, Joan, a brother of Reginald Foster of Maryland, three granchildren, and an aunt, Mrs. J. M. Taft. Foster was a native of New York City.

Donner Girl Scouts Present Club Program

Donner Troop, No. 3 of Girl Scouts presented the program during the Rotary Club meeting held in Donner Lake Lodge on Monday evening.

Thirteen girls took part in the skit depicting camp life, captioned "Colors to Retreat."

At a previous meeting of the girl troop, Dorette Rose was presented with second class badge.

Fair Results From Opening Season In Area Reported

Only Slightly More Than Half Usual Kill Is Reported Here

With the number of hunters estimated at considerably less than last year and the kill only slightly over half for the 1954 season, the deer hunting in this district during the opening weekend proved only fair.

The U. S. Forest Service had only validated 175 tags as compared with nearly twice that number for the first weekend last year.

Although the eve of the opening was featured by a moderate rain storm which dampened the forest, two small fires were reported as having been started Saturday.

Among the first local hunters to report a kill Saturday morning were Harry Digesti, Nick Sassarini and Al Wakefield, the latter returning from his present home at Roseville for the hunt.

A number of arrests for violations were reported by the fish and game wardens, headed by Chief of Patrol William LaMarr who was up for the opening day.

Clear weather, with warm days gives promise that the approaching weekend will again see the area filled with hunters.

Work Continues On Local Highway

Crews and equipment of the Clements Construction Company of Centerville have arrived to complete the work on local highways started by the Gill Construction Company of Bakersfield.

The Clements concern is operating for the bonding company and the state, Gill having been forced to abandon the contracts because of financial difficulties.

Whether or not arrangements can be made with Clements to do the $20,000 project proposed to resurface Truckee streets after they complete the highway work remains to be determined, Supervisor H. G. Loehr said.

It had been proposed to award the Truckee work to Gill but legal complications barred this possibility. Now with the winter's fast approach it is doubtful whether or not the highway work can be completed and still allow time for the street surfacing.

The Clements crews are working overtime and preheating the pavement as they install the surfacing in order to complete the task before unfavorable weather stops them.

DRIVER ASKS TRIAL ON DRUNK CHARGE

TAHOE CITY—Emmett Gordon, Tahoe Pines, appeared before Judge Harry Charrison yesterday morning on a drunk driving charge growing out of an accident a month ago, entered a plea of not guilty and asked for a jury trial.

Judge Charrison tentatively set the date for the trial for 10 a.m. October 21. William Carver of Truckee is representing the defendant.

Pot Luck Supper Will Preceed O. E. S. Meet

There will be a meeting of the Order of Eastern Star Tuesday at 8 p.m. to be preceeded by a pot-luck supper for members and families at 6:30. Members bringing their families are requested to bring additional food, according to the number in the group.

There will be an initation during the stated meeting and Hilda Hintz, worthy matron, will preside.

PAYS FINE

J. D. Harrison of Tracy paid a $50 in the justice court of Judge F. W. Wilson this week for failure to tag his buck. Wilson said a number of other cases are pending and will be cleared later.

Mr. and Mrs. Charles Smith were feted on their wedding anniversary which took place on Monday.

SUNBEAMS

By WALTER M. BARRETT

Final efforts to obtain a second deputy sheriff for the eastern portion of Nevada County will be made Monday when the board of supervisors meet for the regular October session. For three months, the request by local people as well as many county officials for an additional enforcement officer here, has been kicked around with half promises and half refusals. That leaves the situation a puzzle and Supervisor H. G. Loehr's announcement that he will insist upon a definite decision Monday should be a welcome one. There is no question concerning the need for the officer nor of the ability of the county to afford one so it is difficult for those interested to understand the stalling tactics which have featured this comparatively unimportant issue. We still have hopes that the board will authorize the deputy, simply upon the merits of the case, and not because of any particular interest they may have in this end of the county they are serving.

* * *

Be careful of fires when you are in the woods. Those recent storms barely dampened the brush and grass and two incipient fires since should prove that dangers still exist. Remember, only you can prevent forest fire.

Wyethia Smorgasbord Will Provide Benefit For District Hospital

The Wyethia Women's Club will have their friendship night and smorgasbord Friday, October 7 at 6: 30 p.m.

Proceeds from the dinner, for which a nominal charge will be made, will go to the Tahoe Forest Hospital for needed equipment. The program will include vocal selections by Jack McGlade and banjo and piano music by Lila Loehr and Mary Wolert. The committee to assist the president, Mrs. Pearl Heller, will be Mrs. Helen McCarty, Mrs. Edith Welch, Mrs. Thelma Norris, Mrs. Esther Carver and Mrs. Lillian Miller.

Hours Of Mass Changed In Catholic Churches

The hours for Mass are being changed this week and will continue into December when the schedules during skiing season will again have some changes, according to Father Patrick O'Neill.

Father O'Neill said Tuesday that Mass will be held at 9:30 a.m. in Assumption Church here, 8 a.m. is the new hour for the service at Tahoe City and 11 a.m. in the Catholic Church at Kings Beach.

Hotel and other resort owners are requested to clip this schedule from the Sierra Sun for the information to their guests.

IN S. P. HOSPITAL

Gus Benjamin, who had been undergoing treatment here for the past several days, has been transferred to the South Pacific Hospital at San Francisco for surgery and further treatment. Mrs. Benjamin accompanied him to the city.

Little to New England—

Richard N. Little is leaving from San Francisco today by train for New Hampshire where he plans to spend a month visiting his son-in-law and daughter, Mr. and Mrs. Richard George and his three granddaughters.

Birth Dates During Week—

Birthdates celebrated by local people during the week are those of Diane McGihon, Glenn Coffey, Linda Loynd on September 24 and Judy Loynd is celebrating her birth date today.

Prexy of 4-H

Todd McGee, former Truckee boy, was elected as president of Nevada City 4-H Club at a meeting held on September 17. Todd will be installed as the head of the organization next month.

Decision Will Be Requested Soon On Local Deputy

Loehr Will Ask For Action By Supervisors At Monday Meet

With hopes fading in all quarters, a final decision on whether or not the Nevada County Board of Supervisors will authorize employment of a second deputy for the eastern end of the county, will be made at the October 3 meeting of the board.

Supervisor H. G. Loehr said he would insist upon a definite answer to the request which has now been stalled for three months.

The urgent need for a second deputy has been stressed by the Truckee Chamber of Commerce, Sheriff Wayne Brown, District Attorney Vernon Stoll as well as local law enforcement agents and other individuals. Each time the matter has been brought up, the board has delayed action but with little encouragement for the proponents.

"I believe the matter has been delayed long enough," Loehr said yesterday. "The people of this district have a right to a definite answer, either yes or no, and then they will be able to carry on from there."

Loehr did not offer any hope that the petition would meet with board approval but promised to lend all possible support.

Hal Welch, president of the local chamber of commerce, said he plans to attend the meeting in a final effort to obtain the needed law enforcement official. Welch has consistently headed the local group in the request.

Two Victims Of Shooting Treated

Two hunting accident victims were treated at the Tahoe Forest Hospital for gun shot wounds during the opening days of the deer hunting season.

Mrs. Janet Silva, 20, Pinole, suffered a wound in the left shoulder as she warmed her hands over a fire in a camp near Sardine Lake Sunday morning. Several other shots, believedto have come from an area half a mile away were fired through the camp, as Mrs. Silva ran to get behind a tree.

She was brought to the hospital here and is recovering.

Tuesday Ford Greer, 23, North Hollywood, was brought to the hospital from the Bowman Lake area with wounds from an exploded bullet in his fingers, arm, leg and left side.

He was hunting with William Hollister, also of North Hollywood when they spotted a deer. Hollister told Deputy Sheriff Roy Waters that one of his bullets struck a rock, exploded and the fragments sprayed his companion. The wounds are not serious.

PARK SITES HERE TO BE GIVEN STUDY

Among the ten proposals for new state parks in Nevada County presented at the meeting of the Nevada County Planning Commission Tuesday night were two for this area. One would be at the Donner Cross just east of the present Donner Memorial State Park and Summit City on Donner Summit, once a fabulous "boom and bust" city.

Further study of the proposals will be made at the October 18th meeting of the commission.

TIRE BLOWS OUT

Allan M. Schmidlin, 22, Winnemucca, Nev., escaped serious injury at 2 a. m. today when a tire blew out on his car near Floriston and the vehicle was demolished. State Patrolman Martin Sturcke investigated.

CARS COLLIDE

John Cumins, 29, Rio Linda was cited for speeding and attempting to make a bad pass following a collision between his car and one driven by Albert Chino, 28 of Sacramento nine miles north of Truckee on Highway 89 Saturday evening. No one was hurt.

Sportsmen Queen Contest Will End Next Wednesday

With the queen contest scheduled to close at noon next Wednesday, Charles Osburn, chairman of the committee in charge of the annual Truckee Outdoor Sportsmen's big free buck stew on Sunday, October 9 reports the contestants are all making a good showing but with Evelyn Stinchfield, representing the Rotary Club, with a substantial lead.

Osburn urges all those selling tickets to have them ready by noon Wednesday so that the complete count can be made that day.

Other contestants are Carol Tollefson, representing the 20-30 Club and Alta Van Sickle the Wyethia Club.

No accurate count was available this week as the tickets are scattered freely in the area.

Other details for the event are shaping up nicely, Osburn said, and the program promises to attract a record attendance.

There will be no meeting of the Sportsmen next Thursday, Osburn announced.

Second Teacher For Donner School

At the last meeting of the governing board of the Tahoe Truckee Unified School District, it was agreed to employ a second teacher at the Donner Trail School.

This action was decided after a survey revealed a marked increase in enrollment and the need for increasing the school bus route by 12 miles. The survey showed there are now ten children of kindergarten age, plus 35 other students from grades one through six in the area.

The board accepted the proposal of Marsall & Stevens to conduct an inventory and appraisal of school property at a fee of $1290.

The board also approved employment of the following personnel: Herbert Copeland as school bus driver and garage helper; Phil Geier as night custodian-carpenter; Mrs. Louise Marsh as cook at the Tahoe Lake school and Mrs. Phyllis Knoefler as supervisor of the milk and candy bars at the high school.

Captain R. B. Langer of the California Highway Patrol was contacted relative to assistance in controling traffic at the intersections of Highway 89 campus and Highway 40 at the high school and on Grove street east of the Tahoe Lake school at Tahoe Sity.

FINES ASSESSED AS HUNTERS ARRESTED

TAHOE CITY — The opening days of the hunting season in this area found a lot of sharpshooters just a bit careless in following the established laws and as a result Judge Harry Charrison Monday had a busy day.

Geno Giovannoni, Truckee, was fined $150 for failure to tag his deer, advising the court that he unintentionally threw away his tag. His buck was confiscated.

Also charged with failure to tag were William Lee and A. E. Ring, both of Auburn, hunting with the same rifle, but each successful. They were fined $100 each.

R. A. Marjara, El Monte, was 10 minutes late getting his deer tagged and while en route to his jeep to secure the tag was apprehended and subsequently assessed $50.

August C. Winkleman and Gregory Luna of Sacramento and W. R. Grant, Kings Beach, were fined $25 each for having a loaded gun in their cars.

Ronnie Walker Feted At Birthday Party Here

A gay party, complete with games, favors and refreshments was given on Saturday by Mrs. James Walker in honor of their six-year-old son, Ronnie. The youngsters invited to play in the garden included Timmy McLane, Twila Barber, Larry Digesti, Danny Foster, Bruce Leamon, Russell Glenn, Kathy Braasch, Gary Waters, Susia Olano, Sandra Miller, and Bruce King.

First Step Taken To Provide For Winter Olympics

Survey By Committee Will Be Started; To Line Up Details

First official steps in providing for the 1960 Olympic Winter games at Squaw Valley were taken at the organization meeting of the California Olympics Commission held at the office of the chairman, Charles R. Blyth, in San Francisco Monday.

The commission officially named Blyth chairman and selected John Jewett Garland of San Marino as vice-chairman and approved the appointment of P. K. Macker of San Francisco as executive secretary.

To provide for an emergency survey of the area, the commission allocated a total of $32,500 to the Squaw Valley Planning Committee to proceed with this initial project before winter makes the survey impossible.

Another important step proposed by the commission was a joint meeting with the California Highway Commission and state department of public works officials relative to main highways leading into this region.

Study Highways

At the monthly meeting of Gov. Goodwin J. Knight's council in Sacramento Monday, Public Works Director Frank B. Durkee informed the governor that the department was giving particular attention to highways which would be main arteries for the games.

Members of the highway commission were here last week to make a personal survey of the region.

Coordinating Groups

It was brought out at the commission meeting at San Francisco that the five-man board has been set up as a state steering agency to coordinate efforts with the Squaw Valley Planning Committee, the latter being designated by the National and International Olympics Commissions to provide necessary facilities for holding the games.

Three members of the state commission, Blyth, Garland and Reese H. Taylor of Los Angeles are also on the planning committee, Allen D. Christenson of Atherton and Walter M. Barrett, Truckee, being the only members not on both organizations.

It is expected that forthcoming meetings will result in increased activities with thought given to providing exact facility locations, ironing out details with landowners and a further study of transportation, housing and sanitation problems.

"California and the entire nation will be in the spotlight again throughout the world and it is of paramount importance that we live up to the reputation we have acquired as a sports loving, hospitable and friendly people," Chairman Blyth said following the initial session.

All members of the commission except Taylor attended Monday's meeting and he was represented by Andrew Hauk. Also attending to represent Governor Knight was John M. Peirce, state director of finance and Alex Cushing, Squaw Valley, representing the organizing committee.

PLANNERS APPROVE ZONING ORDINANCE

At their meeting Tuesday night, the Nevada County Planning Commission unanimously adopted the proposed zoning ordinance for this area and referred the document to District Attorney Vernon Stoll for minor changes before it goes to the board of supervisors Monday.

C. Edmunds represents this end of the county on the commission.

The ordinance was suggested to prevent the erection of undesirable structures in the region in advance of the 1960 Winter Olympic games.

Two Trespassers Pay Fines In Truckee Court

Mickey Dalavan and Wesley Narramore, both of Los Angeles were fined $100 each when they appeared Monday before Judge F. W. Wilson charged with trespassing.

The two were cited, after a number of warnings, by Deputy Sheriff Roy Waters, when they were apprehended fishing in a posted area near the Flycasters Clubhouse.

Woodlanders Visit—

Mr. and Mrs. Carroll Stitt and Mr. and Mrs. Warren Norton of Woodland, were Thursday visitors here. Both men are officials of Yolo County. Stitt is assessor and Norton is farm advisor in the valley county.

Observed Date—

Mrs. Tony Polyanich observed her birthday anniversary the first part of the week.

Hearings Scheduled To Discuss Doe Hunts

Haerings to consider two proposed antlerless deer hunts in northeastern California have been scheduled for October 17 and 18 by the fish and game commission.

At the request of the Lassen Fin and Antler Club, a meeting will be held at 8 p.m., October 17 in Susanville to discuss a proposed antlerless hunt in the Doyle winter range area. Dates for the hunt would be December 10-18, and 3000 permits would be issued.

The second meeting wil be held in Alturas, at 8 p.m., October 18, to discuss a December 10-18 antlerless hunt on the winter range of the Oregon-California interstate deer herd. A total of 3500 permits has been proposed. The hearing was requested by the Northeastern California Conservation League.

The commission designated Director Seth Gordon of the Department of Fish and Game as hearing officer for both meetings.

Final decision on the hunts will be made by the commission at its October 20 meeting in Los Angeles.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO (CNS)—Senator George Miller, Jr., of Martinez (D), is back in Sacrameno conducting an investigation into the practices of state supported fairs, including the California State Fair and Exposition, in awarding lucrative concession contracts.

While at the moment, he is interested in fair contracts, the senator promises to devote most of his time before the 1957 session of the legislature to investigating secrecy in government, which he believes is the greatest threat there is to good government.

An able and affable senator, Miller came to the legislature in 1947 as an assemblyman, and moved over to the senate in 1949. There he soon earned both the respect and admiration of the late Senator George J. Hatfield, who ran the senate by the technique of taking into camp any new senator who appeared to be a likely leader in his own right.

Miller's instant acceptance by Hatfield gained him early stature in the legislature, and Hatfield was not dilatory in putting his new find to work. Almost from the beginning the senate started assigning to him for committee study various subjects, many of which had been perplexing and embarassing the legislature for years.

Miller's non-partisan and workman-like approach to the problems assigned to him, the soundness of his decisions and the successful prosecution of legislative solutions, attracted sufficient attention in the senate to generate the idea of creating a special committee which would serve as a receptacle for various and sundry problems confronting the legislature.

The committee which Miller now heads, the senate special committee on governmental administration, was the result. Created in 1953, the committee conducted the most successful interim program ever achieved by anyone.

Among the subjects which the Miller committee handled during the 1953-1955 study were state purchasing, prison building needs, civil defense, judges' salaries and secrecy in government.

The recommendations of Miller's committee have resulted in savings of millions of dollars to the taxpayers, restored order out of chaos in such things as setting judges' salaries, and in general, redounded to the benefit of the people of California.

As a leader of the Democratic party, Senator Miller has leaned over backwards to avoid partisanship in his committee work.

An outstanding example of this freedom from partisanship in the handling of legislative problems was his committee study on state purchasing.

Assigned this study by the senate rules committee in March of 1954, at the time he was chairman of the Democratic State Central Committee, Miller had a wonderful opportunity for a political attack on the administration of Gov. Goodwin J. Knight, who was then campaigning for election.

Yet, no hearings were held and no statements were made until after the general election in November of that year.

Instead, the senator conducted his investigations of the purchasing practices and just as quietly conducted the hearings after the elections, and then offered sound legislation to improve the procedures without even making an attack on the administration. That the legislation was sound and much needed was attested to by Governor Knight at the time he signed the legislation sponsored by Miller, into law.

Ordinance Approved For Sale Of Trees

Representatives of the state and national forest service were present at the meeting of the board of supervisors early this month to urge adoption of an ordinance regulating the sale of Christmas trees.

The board ordered such an ordinance prepared and it will be presented at the next meeting.

NOTICE TO BIDDERS

Notice is hereby given that the Governing Board of the Tahoe-Truckee Unified School District will receive sealed proposals at the office of the Superintendent, at the Tahoe-Truckee High School, Truckee, California, up to, but no later than 5 p.m. on Monday, October 3, 1955, at which time and place said proposals will be opened for furnishing, installing and maintaining; or for furnishing and installing a mobile radio-telephone system.

Proposals shall be presented in accordance to the specifications and related documents on file in the office of the Superintendent of the Tahoe-Truckee Unified School District.

The Governing Board of the Tahoe-Truckee Unified School District reserves the right to accept or reject any or all bids in part or in total, to waive any irregularities, and to be the sole judge of suitability and fitness of products offered.

Bidders are required to furnish a certified check in the amount of ten (10%) per cent of the bid to quarantee faithful performance of contract.

By order of the Governing Board, Tahoe-Truckee Unified School District.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Cris Christiansen and Charlie Moore, bus drivers of the school buses, request that atteniton be brought to automobile drivers, to watch for the flash-red lights, of the buses when stopped to let the children off. They both feel that local drivers are the most careless, whether you are driving toward the bus or following the bus you MUST come to a complete stop when the red lights are blinking. The drivers may cite a person that violates the rule.

Deer

Well, once again Bake Frye was to my knowledge, the first to get a deer by bow and arrow, and last night, Saturday, he brought a beauty to be validated and believe it or not it was about 170 pounds with four points right and left. During the day, Sunday, I validated nine tags. By the way, Clarke Powell took part in bringing in Bake's deer.

College

Loma Sorensen who is now attending college at Berkeley, already had a trip home. She says there is no place like home, but it very happy in her new life and she misses the doings of her home community. So the next best thing is to get all the news by having the Sierra Sun. You can also send her a note to 2455 Prospect street, Berkeley 4.

Happy Night

Joby Lewis was host last Sunday night, when he invited all resort owners to a cocktail and buffet party and what a crowd and what a buffet. It was simply grand, even my wife attended, her first outing since her accident. Did you know that Joby gave away absolutely free $10,000 during the short season, which he had promised to do and kept his word to the penny. Again this year I had the pleasure of calling the numbers for a gift of $500 which was won by none other than Mrs. Howard Vaughan of Tahoe City, seeing that Bill Vernon won $10,000 last year, I heard quite a few people threatening to moveto Tahoe City. We feel very sad that Joby is closing as of now, until December. Joby made a nice talk thanking those who made his first year of his Monte Carlo lodge a success. The big crowd sung "For He's a Jolly Good Fellow," in thanking Joby for his wonderful part in making the season a happy one for all of his many friends and visitors. We are already looking forward to the time for him to open up again.

Injury

Well, the injury to the shoulder of Ned Malla did not prove as well as was hoped and at the moment, Monday morning, Ned is in the St. Mary's Hospital in Reno and in a cast. It is not thought it will take too long before he will be released, but it will necessitate quite a long rest. Cheer up, Ned, some one of your buddies have already got deer and you won't go short.

Opening

The Stop 'n Shop is really shaping up now and is looking like it used to. There is a possibility of Ruth and Bill opening up this weekend.

Travelers

Here's another world traveler. Now Eugene Jarvis is leaving on a trip to Europe and all alone, too. First to London then Paris, Rome and as many more cities as he can. Last year it was to South America and by all he accounts of it he had a most wonderful time. Good for Gene.

Home

It's funny how one misses on something. Do you know that Bob and Mrs. Murray of Tahoe Vista have been back a week or so, and I never did mention the fact. They, too, had a most wonderful vacation visiting pretty much the identical places that Gene is now enjoying. We are certainly glad to see them back all safe and sound, and we hope that will stay put for quite a while as they are just the people we need in the community al the time.

Meeting

The Women's Club of North Tahoe, of which Kay Felte is president, had a most delightful luncheon meeting at Paul and Pearl Kolte's Pine Pantry last Monday. By all accounts big things will be going on through the fall and winter months. Kay says you are invited to attend and then join this very active group.

Good News

See Walt Baileys add in another part of this paper. He is putting one one of the biggest money savings sales that has ever been held at the lake. You know there are two stations one at Tahoe Vista and one at Highway 28 and Deer street.

Fountain

During the summer a wonderful and necessary thing was added to the beauty of Kings Beach. Right at the postoffice, a drinking fountain was built by our old friend Joe King, and it was just right for the hot months that we had. Many people commented on thoughtfulness of Joe in doing the very good improvement.

Golfing

This Monday morning, and it is beautiful, and believe it or not people playing on the golf course, and quite a few enjoying the warmth of the sands. Yes, and the lake, too, which I understand is not too cold at all.

Happy Days

Congratulations to Carl and Yvonne Bechdolt upon the anniversary of their marriage, saw both of these wonderful people at Crystal Bay Sunday night and I never saw a happier couple. My wife and I wish them many, many more happy anniversaries.

Visitors

Saw the sheriff and Mrs. Cox over the weekend. Mr. Cox is sheriff of Sacramento and was spending the weekend with the Laverys, also Charles and Mrs. Wearn of the sheriff's department who had a stay of a couple of weeks left Monday for Sacramento.

Tahoe-Truckee School District News

DONNER TRAIL ELEMENTARY

Two of our pupils, Sharon and Charlotte Hagon, moved to Reno this week.

In our younger group of children we have been reading stories about animals. We read one story of a small mouse, and a few hours after finishing the story we caught a live field mouse for the further study of this animal. We have him in a cage and the children can watch most of his mannerisms. Laurel Mason brought us two different types of frogs to study, too.

KINGS BEACH SCHOOL

Kindergarten-First Grade: Three murals were made by all the children in our room in connection with our "Home and Family" unit.

A house is being built across the street from the school, and the owner of the house permitted our class to visit.

Wendy Howell and Susan Clackett have been keeping our room cheerful looking with the flowers they bring to school.

Second and Third Grades: Paul Upton, who was in the second grade, has transferred to Los Angeles.

This week we made pictures of our homes. We will paste them on the map of our home town during our sorial studies time next week.

The science unit "in our own backyard" was brought to a close with the writing of stories of our animal friends. The best judged story was by Joanna Johnson relating the adventures of two of our friends, a squirrel and a chipmunk, an dhow they planned to run away.

TAHOE LAKE SCHOOL

Kindergarten and First Grade: The Tahoe Lake first graders made color dictionaries this week and already can read all the color names.

The class is currently having a safety program. "We Play Safe" was one of the movies shown this week.

First and Second Graders: Lance Poulsen brought a garter snake home and we have caught several on the school grounds. We are giving them to Mrs. Farr's room where they have a glass box for them.

Third and Fourth Grades: The third and fourth grades are studying transportation and harbors. We made the San Francisco harbor on a table. We are studying snakes. We have a terrarium. We have to understand snakes. Mr. Bury made us our terrarium.

TRUCKEE ELEMENTARY

Kindergarten: Kathie Ann Hart and Steven Franco joined our class this past week.

Two birthdays were celebrated last week. They were Beverly King and Phillip Risden.

First Grade: Twila Barber, Vicki Crandall, Bruce King and Mary Braley are milk helpers this week and assist in the counting.

After the children have good number understandings with concrete and semi-concrete objects, they learn the number symbols.

We are very glad to welcome a new boy, Stephen Redford, into our room. Gail Englehart returned from southern California.

Darlynn Ingalls and Mary Braley are ill with colds. Timmy McLane has been sharing some interesting stories with us about the trip his grandmother has just taken.

Second Grade: We have been studying addition and subtraction facts through six. To review these we have chosen teams and played a game using them. The winning team was the "Thunderbirds," comprised of Doug Nelson, as captain Larry Digesti, Courtney Lewis, Monty Straub, Gilbert Hernandez, Christine Charley, John Besio, Ricky Ralphs, Rocky Young, Anne Morey, Charles Hintz, Kevin Larrivee, John Sturcke and Joyce Randall.

Third Grade: Recognition of the social phase of arithmetic and problems dealing with its application to everyday use are taught in the third grade as well as all others.

Map study has been introduced by Marcia Leamon, who has given a report on the heroic pony express rider. Number of miles man and ponies traveled was most interesting. Eddie King, Mitchell Carter and David Saroni are on the committee to arrange the bulletin board showing the many ways to use numbers.

Fourth Grade: Our arithmetic program began with a review of the addition and subtraction facts, and of the borrowing and carrying processes. Multiplication by twos has been introduced.

Those receiving a hundred per cent on their first review test were: Jack Arterburn, Ronald Brown and Jamie Hamilton. Those who missed only one example were: Kevin McKinley, Arlene Novak, Leilani Braasch, Leonard Hensley, Judy Mitchell and Jimmy Pagliaro.

We are glad to welcome Linda Redford to our class. Her family recently moved to Donner Lake from Reno.

Fifth Grade: We have been drilling in our teams to practice our multiplication combinations. Our arithmetic group leaders are Gene McGihon, Kittie Ellis and Jeffery Stock.

Sixth Grade: Determining where we are in arithmetic has consumed much of our first weeks' time and efforts.

Douglas Gill returned to Bakersfield and George Redford transferred from Reno.

April Lander brought a fox fur and David Ayala brought a bobcat skin to share with the class for its study of British Columbia.

At Tahoe-Truckee High School, students and teachers, old and new, have been busily engaged in education.

The teachers in the Tahoe-Truckee Unified School district have been studying too. Friday night, Dr. H. Bamman from Sacramento State College conducted the third session of a class in language arts, enjoyed by many of the district staff.

For the juniors and seniors, Spanish and French classes, Mrs. diSuvero has been showing movies designed to create interest in other countries and people as she is planning to organize a Junior U.N.E.S.C.O. as co-curricular activity.

Janice Mandeville was re-elected to the position of head cheerleader. Her new assistants are Karen Decker, Duane Pomin, and Sharon Little. Virginia Speeter, Anita Antillon, Joyce Slate, Janet Allen, Mickie Trent, and Joyce Hallett have been practicing the skills of songleading. Four of them will be chosen to lead the school songs at rallies and games.

The annual staff has signed a contract, and is well underway in planning this year's book. Jude Commagere, editor, has been leading the staff. The campaign for student body card sales is in full swing with a new touch this year. The cards, instead of being a solid color are gaily striped with red and white colors.

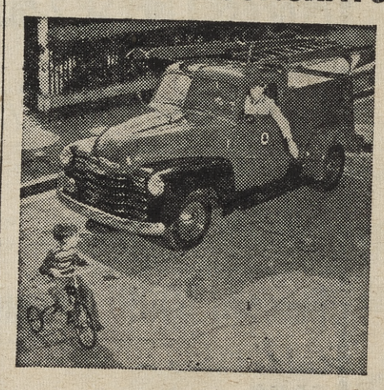
WHAT'S DOING

Charles F. Berlenbach, Jr., Telephone Manager in Truckee

TRUCKEE TELEPHONE DRIVERS CONGRATULATED



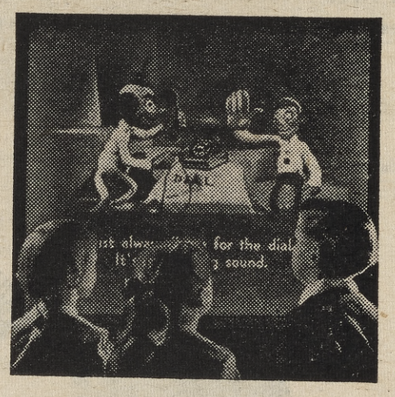
Last week Sgt. Ed Freeman of the Highway Patrol stopped me on the street and congratulated our people for their good driving habits. Realizing that subject is vitally important to everybody, I asked Sgt. Freeman to elaborate. We know of no one betterqualified to pass judgment on safe driving than the head of the California Highway in this area.

Sgt. Freeman stated that what impressed him greatly was the way in which our drivers exercise extreme caution while passing a school zone. Reducing speed to 15 M.P.H. or less eliminates any possibility of hurting any of the young citizens of our community.

Intensive and continuous training is given to all Telephone Company drivers . . . Safe driving is more than first a slogan . . . it is a major requirement of the job.

* * * * *

School children visit "Telezonia"



If your youngsters should come home from school some day soon talking about a fabulous land of puppets, here's what it's all about. An entertaining color motion picture called "Adventure in Telezonia" is now available to the elementary schools in this area. The movie is part of a special kit we telephone people have worked out at the request of teachers and with their assistance.

We lend the kit to schools to help children learn how to use the telephone correctly. This is important. For the kind of telephone service you enjoy depends a lot on the way you and others use the phone. So the good telephone habits "Telezonia" is teaching school children will help make telephone service better and more useful for everyone. Pacific Telephone works to make your telephone a bigger value every day.

* * * * *

Away-to-school days needn't "break up" a family

Maybe there's a young man or woman in your family who's going away to school this fall. If so, you can still stay in close personal touch with each other, you know. For it takes just moments to travel from home to campus, or campus to home, by telephone. And a quick glance at the rates in your telephone book will show you how little it costs. Why not let low-cost long distance make family reunions a frequent event during the school year ahead.

A BARGAIN EVERY DAY

... Low Cost Electricity

Shopping for Bargains?

Here's one bargain you can enjoy every day . . . without leaving your home.

THAT BARGAIN

Dependable low-cost electricity.

Perhaps no other thing you buy does more to save time and labor and to make for better home living. Whether its washing clothes or dishes, whether its lighting your way or lightening your work, electricity is a first-class bargain—today and every day.

Use more low-cost electricity, and enjoy the benefits of the best everyday bargain in your budget.

TRUCKEE PUBLIC UTILITY DISTRICT

A Tax-Saving, Public Service Enterprise

TYPICAL WEATHER DOMINATES TAHOE

TAHOE CITY—Typical fall days with bright sunshine has featured the weather picture here during the past week. The temperature has rangd from a low of 28 to 64 degrees and no precipitation has been recorded.

The level of the lake stood at 6225.48 feet on Monday and six gates were open.

Legal Notice

NOTICE OF SALE OF PROPERTY DEEDED TO THE STATE FOR DELINQUENT TAXES

Date September 22nd, 1955

Whereas, I was on the 12th day of September, 1955, directed by the Board of Supervisors of Nevada County, State of California, and there was received by me and filed in my office an authorization of the State Controller (dated September 15th, 1955) to sell at public auction, for cash in lawful money of the United States, certain tax deeded property, public notice is hereby given that unless the said property is redeemed or an installment plan of redemption is initiated, as provided by law, I will on the 24th day of October, 1955, at the hour of 2 o'clock P.M. in the Tax Collector's Office in the Court House of the County of Nevada, in the City of Nevada, sell as directed the said property for a sum not less than the minimum price or prices set forth in this notice.

The parcel or parcels of property that are the subject of this notice are situated in the County of Nevada, State of California, and are described as follows:

(Description)

In Donner Lake Co's Lakeview Subd. Lot 4 Blk 8

Last assessee: Mark P. and Sally Geirrine.

Minimum Price $105.00.

If redemption of the property or the initiation of an installment plan of redemption is not made according to law before the first bid is received, the right of redemption will cease.

MISS ELMA HECKER,
Tax Collector of Nevada County, State of California.

First Publication: September 29th, 1955.
Second Publication: October 6th, 1955.
Third and Last Publication: October 13th, 1955.

VFW AUXILIARY AT LAKE HOSTS MEET

KINGS BEACH—The District No. 3 meeting of the Veterans of Foreign Wars and the Ladies Auxiliary was held September 18 at Crystal Bay. Presiding officer was District President Helen Throll. The resignation of District Conductress Dorothy Atchinson was accepted and Alvina Wilsliff was elected to fill the vacancy. Evelyn Polish was selected district flag bearer and the instituting officer was Marian Johnson.

Reports of the last district meeting held a Gardnerville were read and highlights on the national meeting were given by Department President Virginia Gionatti.

The membership drive will start October 11 for the auxiliaries. The next district meeting was tentatively set for December 11 at Gerlach, Nev.

Representatives from Reno, Carson City, Sparks, Gerlach, Gardnerville and Crystal Bay were present. A cocktail party and buffet supplied by the local auxiliary was held and hostesses were Ethel Antonson, Peggy Powell, Vera Woods, Dorothy King and Pearl Moore.

FREE GOLF FOR CLUB MEMBERS

TAHOE CITY—Residents of the area can play golf free on October 2 at the Tahoe City Golf course, according to William Briner, president of the Squaw Valley Lake Tahoe Ski Club, the only requirement is the purchase of a membership in the club which will be sold on that date instead of the usual charge for green fees.

Carl Bechdolt, Jr., owner of the golf course has donated it to the local club for Sunday, only two clubs to be used in the tournament so that all may have the opportunity to play.

MARILYN HAND IS TO WED LIEUTENANT

TAHOE CITY — Honolulu was the romantic meeting place for Marilyn Jean Hand and William Joseph Logan, Jr., whose engagement was announced at a cocktail party given by her parents, Dr. and Mrs. Lee Hand at their home in San Francisco.

The Hands are well known at Tahoe where they spend much of their summers.

Miss Hand, who had been working in the Islands for the past two years, recently returned home and was soon followed by her fiance, a marine lieutenant.

The Island theme was carried out in the decorations at the party and guests learned of the engagement when they were presented with wood-roses to which gold hearts inscribed with the couple's names were attached.

Lee L. Wilcox of Sacramento who is well known in the Lake Tahoe area has entered the race for the Sacramento City Council.

Mrs. Bea Sisk has left Tahoe City for Berkeley, also leaving for their home in Piedmont are Mr. and Mrs. Clark Burnham, Jr., and Mr. and Mrs. H. T. McClatchy who are at their residence in Sacramento.

Mr. and Mrs. D. H. Ford have left Kings Beach to spend the winter in Sun Valley, Calif.

Meeks Bay summer residents who have left the area recently are Mrs. E. M. Marsden who returned to Laguna Beach and Mrs. Jody Maher, now at Palm Springs.

* For travel into, out of or around the Golden Empire (see map) Southern Pacific's streamliner fleet is the choice of experienced travelers.

Shippers know that S. P.—serving more of the West and Southwest than any other railroad—aims to give fast, dependable, progressive, and complete freight service.

TAHOE VISTA and KINGS BEACH

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Throughtout the past week the perfect Indian Summer weather has continued here unbroken, except for a little while on Friday when a strong west wind blew with some fury for a very short time, later in the day to make a complete switchback and blow from the east long enough to whip the lake into white-caps for an hour's time. During the short wind storm from the west a 25-foot pine which stood on the high bank overlooking the lake above the Tahoe City commons, was completely uprooted and blown down. The pine's spreading boughs with their thick needle-clusters seemed to catch the wind like a parachute to pull the tree over.

Hunting Only Fair

On the opening day of hunting season here there seemed to be less than half the usual number of red hunter's coats and caps drifting about this locality. Also very few deer have been seen near the lake shores or along the river throughout the latter days of summer and early fall. Through the first three days of the open season no reports had yet come in here from hunting parties who packed out to back country camps. A group of hunters previously visiting here from Newman, Patterson and Crow's Landing, left last Monday by pack train for a camp in the Hell Hole deer hunting territory where they expected to camp and hunt till about September 28. Included in this hunting party are Bud Fink, Johnny Nunes, Ralph Rose, Jim Cox and Leeland Steffenson.

Gets First Deer

Dr. J. W. Wilson of Sacramento, visiting here with friends, was the first lucky hunter to report his game here on the opening morning. He bagged a large five-pointer among the mountains west of Tahoe City. Two Kings Beach men, Bob Moore and Don Thompson, brought their game in to Bacchii's Inn in Lake Forest on the opening day. They had each shot a large young buck while hunting among the mountains above Hirschdale On the first and second days of the season Constable Harry Johanson of this city validated fine bucks for two lucky hunters here. One was a five-pointer shot in the Paige Meadows vicinity by Ray Nelson of Sacramento, and the other a young three-pointer brought in from Barker Meadows by Donald Jackson of Tahoe City.

Rotary Meet

On Tuesday, September 20, the Tahoe City Rotary Club changed its dinner-meeting schedule from the noon hour back to evening dinners again for the fall and winter seasons. It is announced that from now on they will be held at Tahoe Inn at 7 p.m., Tuesday, each week. Last Tuesday night's entertainment, following the dinner, was a motion picture travelogue titled "Los Angeles to Lake Tahoe." The reel was supplied through the courtesy of Richard Carrington, publisher of the Los Angeles Examiner. The number of visiting Rotarians at this meeting fell to five from an average of 38 at most of the meetings during the summer weeks. President Vernon Bartell presided over the meeting, and Bill Conners was program chairman.

Workshop

The teachers of the Tahoe-Truckee Unified School District began their fall and winter session in the language and arts workshop at the Tahoe-Truckee High School last Friday evening at 6 p.m. Their first class of the fall season was held there at that time, taught by Dr. E. Bamman of the Sacramento State College. They report that these classes will be continued once a month throughout the remainder of the year.

PTA Meets

The Tahoe PTA held its first meeting for this season in the Tahoe Lake School Auditorium at 7:30 last Thursday evening. President Edna Obexer of Homewood, presided. The greater part of the meeting was occupied with plans for the annual open house, and for the school's Halloween entertainment which will be coming up soon. Dates for the two entertainments were not definitely decided at this time. It was announced the next meeting of the PTA will be held early in October.

Miss Post Honored

Word reached here this week that Miss Dodie Post, internationally known lady ski champion, has been named chaperon of the coming Women's Olympic Ski team. Miss Post is now an all-year resident of Squaw Valley, and will be able to arrange well ahead of time for the many girl skiers expectedto enter, or practice for the Olympic events to be staged there.

Danughter Born

At the Tahoe Forest Hospital on Wednesday evening, September 21, a daughter was born to Mr. and Mrs. Howard Carnell of this city. Mrs. Carnell is secretary for the Lake Tahoe-Sierra Chamber of Commerce here. The hale and hearty infant weighed in at six pounds, 11½ ounces, and has been named Michelle Anne. Mother and child returnedto their home here during the weekend, and are doing well.

Two other babies who were added to Tahoe's healthy fall crop during the past week were a son born to Mr. and Mrs. James Brehler of this city, who has been named Stephen, and a daughter, Susan Jo, born to Mr. and Mrs. Gus Gehlert of the Tahoe Pines vicinity. The Gehlerts have recently become custodians of the Henry J. Kaiser estate on the Tahoe Pines lakeshore. Susan Jo's paternal grandmother, Mrs. Helen Gehlert, is spending the busy fall season with her son's family.

Back From Vacation

Mr. and Mrs. Jack Starratt and young daughters Anne and Sally returned to their Tahoe City home early this week after a few days vacation in valley and coastal regions. The Starratts motored down last week for a short rest period beside the sea, and on the way back stopped off in Lincoln for a visit at the home of Mrs. Starratt's parents, Mr. and Mrs. Richard Lee.

On Visit

Mrs. John Pingree of this city left on Saturday afternoon to motor to Yuba City. She planned to spend a few days there at the home of her daughter, Mrs. John Hahn, where she anticipates an enjoyable visit with her five grandchildren. Mrs. Hahn is the former Virginia Asal, who was a resident of Tahoe from her childhood through teen-age years.

Make Inspection

Mr. and Mrs. W. T. Reid of Homewood and the bay area were Tahoe visitors during the past week, and stopped off in Tahoe City while on an inspection trip to their summer home in the Homewood vicinity. The beautiful colonial residence was built by Reid's father in the middle 1800's, and was one of the first homes on the lake's western shore.

From Alaska

Walter C. Saunders, a homeowner in the Tahoe Park locality, is recently back from a trip to Alaska, and visited here on September 18. His plans as to where he will spend the winter saeson are still indefinite.

Anniversary

Mr. and Mrs. Carl Bechdolt of this city are celebrating their fourth wedding anniversary on September 26 in the same place their wedding dinner took place that many years ago. They plan to have their anniversary dinner in the dining room of the Mapes Hotel in Reno, and a group of friends were expected to join them there.

Tahoe Visitors

Mr. and Mrs. Elwell Bowers are up from the lowlands this week, and are enjoying a few days of beautiful Indian Summer in their home on the Truckee River.

Redecorating

The C. W. Vernon home and business building on Front street in Tahoe City is undergoing a redecoration process this fall, outside and in. The block walls are now blossoming out in a rosey-grey tint that may be seen from a mile away—barring obstruction.

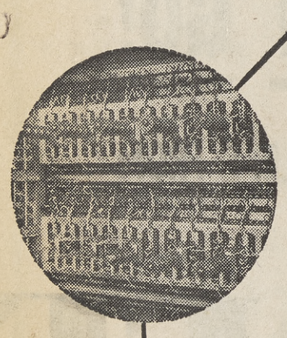
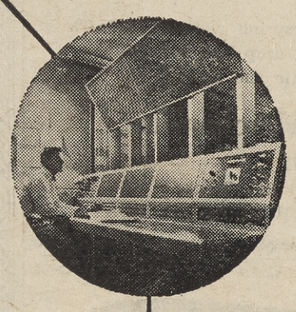
ERMA

ELECTRONIC RECORDING MACHINE ACCOUNTING

AGAIN BANK OF AMERICA LEADS THE WAY INTO THE FUTURE OF BANKING!



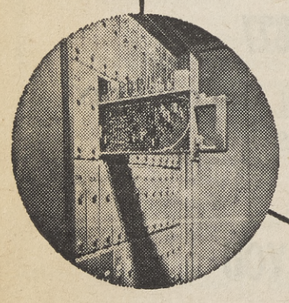


The future of banking is here—*today!* For with the development of ERMA, Bank of America brings to banking the wizardry of modern electronics.

ERMA...Electronic Recording Machine Accounting... is the fabulous machine-process which will relieve bank personnel of tedious, time-consuming tasks, enabling us to serve you better.

ERMA will perform with lightning speed and complete accuracy the complex chores of crediting deposits, debiting withdrawals, recording new balances (at the same time checking for hold or stop-payment orders), and do the entire job in one tenth of a second! ERMA will also remember the details of all transactions and, at the end of the month, turn out a complete printed statement of your account.

The development of ERMA is another example of Bank of America pioneering—of its long tradition of leadership. ERMA required more than five busy years to design, develop and assemble and represents the climax of our unrelenting search for new methods of meeting the banking needs of California's ever-expanding economy.



Bank of America
NATIONAL TRUST AND SAVINGS ASSOCIATION
MEMBER FEDERAL DEPOSIT INSURANCE CORPORATION

Like technical facts?
ERMA contains 34,117 diodes, 7,879 vacuum tubes and 1,000,000 feet of wire. It generates enough heat every hour to warm 3 eight-room homes and is cooled by its own air conditioning system capable of manufacturing 25 tons of ice per day.

You'll earn a FORTUNE!

BETWEEN YOUR FIRST AND LAST PAYCHECKS...

But how much will be yours to keep?

It's a sad thing to earn thousands of dollars during your working years—only to "miss the boat" on financial security. Now, State Farm has a Guaranteed Savings Plan to fit your income. This plan makes it easy to save a part of what you earn and *keep it saved* for when you need it.

It Pays To Know Your STATE FARM Agent

Robert Bruce Named On State Purchase Board

Robert W. Bruce, vice president of the Pacific Telephone Co., of Sacramento and San Francisco, who often visited here while residing at Reno has been named as a member of the State Purchase Standards committee by Gov. Goodwin J. Knight.

Other members include: Charles S. Hobbs, San Francisco, president of Hale Brothers; State Public Works Director Durkee, Corrections Director McGee, Education Director Simpson, Natural Resources Director Nelson, Employment Director Stewart, Mental Hygiene Director Rapaport and Motor Vehicle Director Mason.

Golden Gate Bridge at San Francisco was completed in 1937 at a cost of $35,000,000.

Federal Road Bureau Will Construct Access To Shasta Ski Region

SACRAMENTO (CNS)—The federal bureau of public roads has agreed to expend $380,000 immediately on a road up the southeast side of Mt. Shasta as the approach to a gigantic ski lift, Senator Randolph Collier, Yreka, announced here today.

Senator Collier, with members of the Siskiyou County Board of Supervisors and civic leaders from the Shasta area, met with the bureau, the U. S. Forest Service, and the State Department of Public Works, and the agreement was unanimous, he said, that the road should be constructed.

Siskiyou County supervisors have agreed to expend some $60,000 in addition, and maintain the road on a snow-free basis.

State Will Hire Attorneys Following Examinations

SACRAMENTO (CNS) — The state personnel board announced the state will soon hire about 30 attorneys as junior counsel following civil service examinations.

Candidates for the positions, which pay from $376 to $436 a month, must apply by September 23, the board said. Only candidates who passed recent state bar examination will be considered.

The board said the openings will be in Los Angeles, San Francisco, and Sacramento.

Gregory Brownes Seek Damages From Accident

AUBURN — Damages totaling $22,600 are requested in a civil action by Gregory and Ivy Browne for injuries they claim they suffered when their car collided with a truck loaded with Christmas trees on Highway 40 in December, 1954. The defendants are James Napier, owner of the truck and Rubin R. Genschemer, his associate in the tree enterprise.

Legal Notice

NOTICE OF SALE OF PROPERTY DEEDED TO THE STATE FOR DELINQUENT TAXES

Date, September 12th, 1955

Whereas, I was on the 1st day of September, 1955, directed by the Board of Supervisors of Nevada County, State of California, and there was received by me and filed in my office an authorization of the State Controller (dated September 7th, 1955) to sell at public auction, for cash in lawful money of the United States, certain tax deed property, public notice is hereby given that unless the said property is redeemed or an installment plan of redemption is initiated, as provided by law, I will on the 17th day of October, 1955, at the hour of 2 o'clock P.M. in the Tax Collector's Office in the Court House of the County of Nevada, in the City of Nevada, sell as directed the said property for a sum not less than the minimum price or prices set forth in this notice.

The parcel or parcels of property that are the subject of this notice are situated in the County of Nevada, State of California, and are described as follows:

(Description)
In Donner Lake Co's Lakeview Subd. Lot 10 Blk 2
Last assessee: Jno. H. Trayner.
Minimum price $160.00.

If redemption of the property or the initiation of an installment plan of redemption is not made according to law before the first bid is received, the right of redemption will cease.

Tahoe At Lowest Level For Past Many Years

TAHOE CITY—The level of Lake Tahoe is at its lowest since 1949 and still is dropping fast because of an unusually warm September.

The lake yesterday stood at 6,225.65 feet above sea level, lowest for this date since 1949, when it stood at 6,224.27.

On December 17, 1949, the lake dropped to within one half foot of the natural rim which cuts off the flow of water into the Truckee River. This elevation is 6,223.

Watermaster Harry Richards of the Truckee Carson Irrigation District at Fallon, Nev., said the figure is not alarming but:

"If we don't get pretty substantial storms in the Sierra this year, we could suffer some serious crop damage next year."

Irrigation supplies have been adequate this year and very little crop damage has been reported in the irrigation district fed by Lake Tahoe.

Temporary Appointment For State Engineer Due

SACRAMENTO (CNS)—A temporary appointment to the office of state engineer which is a civil service job, will be made by Frank B. Durkee, state director of public works, when the office is vacated by A. D. Edmonston, who will retire.

Durkee made this announcement today, stating delay in calling a civil service examination for the job results from studies under way by the legislature of a coordinated water department.

Abuses Of Emergency Patrol Call Explained

SACRAMENTO—The California Highway Patrol emergency telephone number "Zenith 1,2000" is still being used to report non-emergency incidents according to a recent analysis of such calls.

"This emergency service is for reporting traffic accidents, blocked highways and other true emergencies," declared Patrol Commissioner B. R. Caldwell. "Non-emergency calls tend to interfere with genuine emergencies and delay emergency action necessary, in some cases,to save lives.

Some of the non-emergency calls are requests for towing or repair service to disabled vehicles with flat tires or mechanical impairments," Caldwell said. "Others include requests for road and weather information, assistance in locatting lost persons and reports of neighborhood fights.

Only highway emergencies such as traffic accidents, drunk or erratic driving on the highway, roadways blocked by washouts and incidents endangering lives and property on the public streets and highways should be reported over Zenith 1,2000.

The emergency number is toll free and will put the caller in touch with the nearest highway patrol office to the area from which the call originates."

On Business Trip—
Mr. and Mrs. James Robertson of Glendale were here last week visiting their local property.

SIX INJURED WHEN CARS CRASH HERE

Six persons were hurt, four of them seriously, in traffic accidents near here.

A sports car driven by Eugene Joseph Sousa of Vallejo, Solano County, rolled down a 25-fot embankment Saturday near the foot of the Donner Grade, sending Sousa and his passenger, Robert Sergeant of Vallejo, to the Tahoe-Forest Hospital with serious injuries.

A headon collision two and one-half miles west of the Nevada state line on U. S. Highway 40, the highway patrol announced, caused serious injuries to June Kelly of Floriston, Nevada County, and Clement Mazerio of San Francisco. Both are in the Tahoe Hospital near Truckee.

The former was riding with Ray Yurich of Floriston and Mazerio was a passenger with Arnold Harragan of San Francisco. Both drivers suffered minor hurts. The accident occurred Friday.

Attend Party—
Mr. and Mrs. J. R. Wolert were weekend visitors at San Francisco where they attended an organization party on Saturday evening.

Kearney Visits—
Frank Kearney, for many years a Truckee resident who successfully operated a large chicken farm near here, was a visitor from Sacramento during the weekend and asked to be remembered to his many friends here.

To Livermore—
Mrs. J. H. Bernard will accompany her daughter, Mrs. Warren Davison to the latter's home at Livermore for a visit.

Berkeley Guests—
Mr. and Mrs. James Walker and children were visitors at Berkeley last weekend.

Capital Attorney Here—
Mr. and Mrs. William Carver entertained Gordon Schaber of Sacramento, during the weekend. The visitor is also an attorney in the Capital City.

Looks at Property—
A. Filipcic of Sacramento visited in Truckee this week.

Natal Date—
Mrs. Mary Zunino celebrated her birthdate on Tuesday.

Smart's Opens As Big Crowd Sees New Cafe

Smart's new, modern cafe at the Truckee-Tahoe Wye opened for the weekend Friday night and was filled to capacity as guests arrived to scan the new addition to the area and partake of the first dinner.

The cafe was closed this week for detailed improvements but is scheduled to reopen tomorrow.

Reg Smart and Eddy Sardi the genial hosts, were on hand to welcome the guests.

CHURCH NOTES

Sunday is World Wide Communion Sunday. It is a day when Protestants unite their concern in worship and gift with those who suffer and are without the creature comforts of life. All are invited to join in this service.

Sunday is also Rally Day in our Church School. All are asked to invite some person to come to Sunday school and a day to rally new persons as well as those who may have dropped out for a little while.

Sunday afternoon at 2 p.m. the Methodist Youth Fellowship will travel to Reno to the First Methodist Church for a rally for the young people of the Nevada subdistrict. They are to return at 9 p.m. or sooner.

Transferred—
H. O. McDaniels who has been the manager here for the Ransome Oil Co. has been transferred by his concern to Antioch.

Attended Funeral—
Mr. and Mrs. Gale Brown attended funeral services at Bishop for her brother's wife, Mrs. Alice Pearson who was killed in an automobile accident on Monday, near Wadsworth, Nev.

Has Surgery—
Mrs. Ruth Kolos underwent minor surgery at the Tahoe Forest Hospital and is reported well recovered.

Mrs. Helen Trask Is Honored For Her Work

Mrs. Helen Trask, second grade teacher at the Truckee elementary school, recently received recognition for her contributions to a nationwide contest sponsored by the Scott, Foresman Publishing Company. Mrs. Trask submitted copies of her charts and children's work on primary activities in the classroom.

She received honorable mention and had the distinction of being the only California teacher to be recognized in the contest. Scott, Foresman Company awarded Mrs. Trask a special book of children's stories for her participation.

Father Of County Public Administrator Expires

Last rites will be held at the Hooper-Weaver Funeral Home at Grass Valley Saturday morning at 10 o'clock for Theodore Koehler, Sr., 88 year old father of the county public administrator, Ted Koehler who died yesterday after a brief illness. Alvah Hooper of the Truckee Colonial Mortuary will conduct the service.

Koehler was a native of Nevada County. Besides his son, he leaves a daughter in Sacramento.

TRUCK OVERTURNS

A truck load of plums spilled over a wide area at Hirschdale at 11:45 a.m. yesterday following a mechanical failure which caused the vehicle to crash into the overpass guard rail and turn over. The driver, Steven S. Fowble of Napa, Idaho, was only slightly injured, Patrolman Martin Sturcke reported.

CARD OF THANKS

For the many cards, messages and expressions of sympathy during Mr. Benjamin's stay in the Tahoe Forest Hospital we wish to express our sincere thanks.
Mr. and Mrs. Gus Benjamin

Finnigans Back—
Mr. and Mrs. John Finnigan returned from a week in San Francisco. The automobile belonging to the couple which was recently stolen had not been returned yesterday to Truckee from Nevada where it was found. Two juveniles are being held for questioning.

License to Wed—
Robert F. Smith of Truckee and Sharel Ann Johnston of Reno were issued a marriage license at Reno this week.

Slash Dispute Results In Forfeiture Of Bail

TAHOE CITY—Robert Graham, Marysville, forfeited $100 bail in the justice court here yesterday after he failed to appear on a charge of not clearing slash at Tahoe a year ago. Judge Harry Charrison said the forfeiture does not relieve the defendant of the job of clearing the slash.

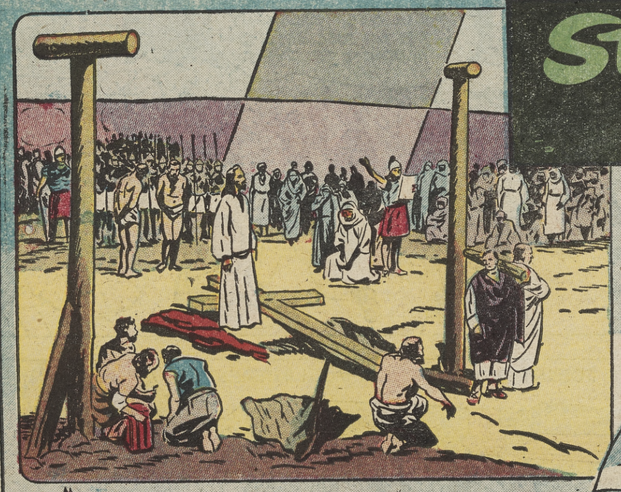
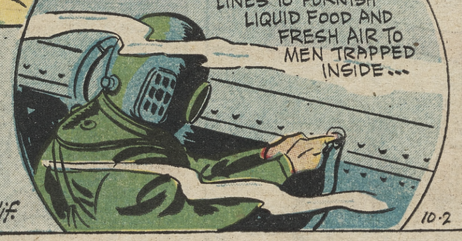
STRANGE as it seems

ELSIE HIX



THE ORANGE HAS 155 DIFFERENT, IDENTIFIED CONSTITUENTS ...

EACH COMPARTMENT OF A MODERN SUBMARINE HAS CONNECTIONS ON THE OUTSIDE TO WHICH DIVERS MAY ATTACH LINES TO FURNISH LIQUID FOOD AND FRESH AIR TO MEN TRAPPED INSIDE...



A BUILDING COSTING 1½ MILLION DOLLARS WAS DESIGNED AND BUILT FOR THE SOLE PURPOSE OF HANGING ONE PAINTING -- "THE CRUCIFIXION" BY JAN STYKA...

BECAUSE NO PLACE COULD BE FOUND LARGE ENOUGH TO HANG THE 45'x 195' PAINTING, IT LAY IN THE DUST OF WAREHOUSES FOR 40 YEARS!

The above illustration is only a portion of the entire painting... Hall of The Crucifixion, Forest Lawn Memorial Park, Glendale, Calif.

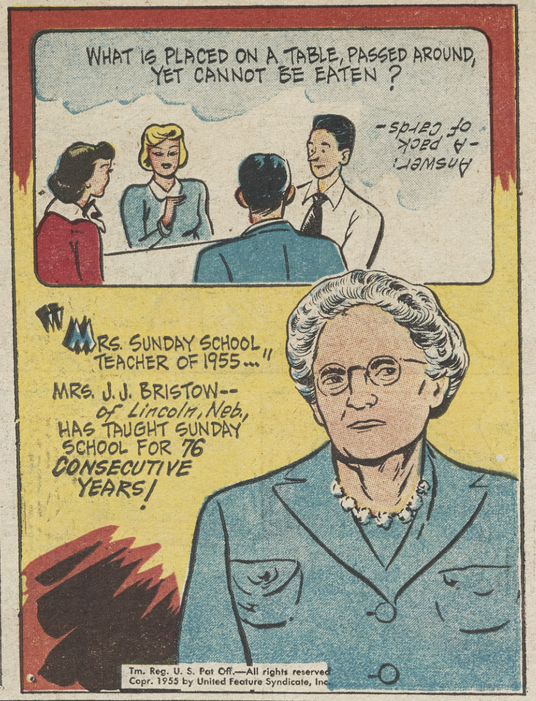
10-2

COTTON IN ITS NATURAL STATE GROWS ON TREES!

EARLY ENGLISH SHIPS, SAILING TO AND FROM THE EAST INDIES, USED CASKS OF SWEET WINE AS BALLAST... THE ROLLING MOTION "CURED" THE WINE ... THE SAME TREATMENT WOULD BE INJURIOUS TO DRY WINES!

WHAT IS PLACED ON A TABLE, PASSED AROUND, YET CANNOT BE EATEN ?

Answer: - A pack of Cards -



"MRS. SUNDAY SCHOOL TEACHER OF 1955..."

MRS. J. J. BRISTOW-- of Lincoln, Neb, HAS TAUGHT SUNDAY SCHOOL FOR 76 CONSECUTIVE YEARS!

CURLY KAYOE

by SAM LEFF-

SEE HERE, SYKES— YOU CAN HAVE THE MANIMAL - BUT DON'T TAKE MY DAUGHTER...

HAW! AIN'T YOU TH' BIG-HEARTED BABOON, HUNTER HORN... BUT I'VE GOT 'EM BOTH!

LEMME GO THROUGH THEIR POCKETS BEFORE WE SHOVE OFF, CAP'N SYKES!

STOW THAT PETTY THIEVERY, YOU LI'L BILGE RAT!

TAKE THE HELM OF THAT JEEP, DODGER, AND DRIVE US TO THE DOCK SO WE CAN GET UNDER WAY.

AYE, AYE, CAP'N!

QUICK, HUNTER HORN - REACH BEHIND ME AND UNTIE MY HANDS!

I SAY - GOOD SHOW, CURLY LAD... THEN YOU CAN UNDO MY BONDS!

WE'VE A GOOD CHANCE TO HEAD OFF THOSE TWO BLIGHTERS, IF WE HURRY. THIS WAY, M' BOY!

I CAN'T WAIT TO GET MY HANDS ON SYKES!

THEY WILL BE ALONG THIS TRAIL AT ANY MOMENT NOW, CURLY.

GOOD! I'LL BE WAITING FOR THEM...

10-2

CAP'N SYKES - LOOK... IT'S CURLY!!
